Take a Historic Tour of Miami & Miami Beach

Join us on a tour through Miami's most interesting neighborhoods while you learn about the city's history and see homes of the rich and famous.

You will see Miami's highlights -- South Beach; Downtown Miami; Brickell; Coconut Grove; Coral Gables, Little Havana; and Ocean Drive. Along with some lesser-known areas like the Gianni Versace Mansion, Holocaust Memorial, Venetian Causeway; Madonna's House, Sylvester Stallone's House, Vizcaya, Watson Island, Cartagena Plaza, Coral Gables Waterways, University of Miami, Biltmore Hotel, Venetian Pool, Miracle Miami, Calle Ocho, Old Cutler Road, and the secret spot where Michael Jackson filmed his "Thriller" music video, plus hundreds of other interesting landmarks, famous movie locations and weird stories not seen with other tour companies.

The bus stops several times during the tour. The first stop is at Fresh Market, (from Bravo TV's "Top Chef") where you can grab a bite to eat. Free Cuban coffee is also served in Little Havana. At each stop, there is plenty of time to exit the bus, take pictures, and stretch your legs. Your free souvenir tour map has information about each stop.
