SPRING BREAK IN CANCUN WITH LINDA HALL!
March 31-April, 4, 2010

Hi and welcome to the group! My name is Ruby Degenhard and I'm your travel agent for this trip.

You'll be staying at the Oasis Viva Beach in beautiful Cancun, Mexico, which is located in the heart of the party zone!

Cancun is Mexico's most important tourist destination and one of the world's most well-known resorts. Located in the state of Quintana Roo in the Yucatan Peninsula region, it has a subtropical climate, with average temperatures ranging between 81° and 95° F and sunny days throughout most of the year.

Cancun offers the unparalleled beauty of the Caribbean Sea's turquoise-blue water and white-sand beaches. During your stay, you can do water sports or other activities: snorkeling, scuba diving, parachuting, or you can take a spin on a waverunner. You'll also find plenty of time to relax and enjoy the fine services offered in the hotel zone. Along the hotel strip, which spans more than 19 miles, you'll find everything from villas and five-star hotels to exclusive resorts and spas. You'll also find modern shopping malls, more than 500 restaurants offering the best in national and international cuisine, and numerous bars and discos where the parties rage all night long.

Nearby Cancun, you can tour the Mayan Riviera and check out Playa del Carmen, Xcaret and Xel-Ha, ancient Mayan ports that have been converted into modern-day paradises. Also nearby is Tulum, a fascinating archaeological zone by the sea. It was the only walled city built by the Mayans. Finally, you may want to visit Isla Mujeres and Cozumel to live the unforgettable experience of snorkeling and scuba diving along the coral reefs.

Cancun is the best place to have fun at night. If you're looking to dance to the beat of Latin rhythms, we recommend the Cocobongo, located in Plaza Forum. For those who like pop and electronic music, The City, The City Basic, and Bulldog Café. are good options. For live music, check out Dady Rock, El Bulldog, or The Hard Rock Café. You can walk from your resort to Carlos N Charlie's and Senor Frogs.

Nearby, along Kukulkan Boulevard, you can listen to Latin and Caribbean sounds at Mango Tango, a place with ten years of tradition. If you want to do something totally different, you can take a cruise on a replica of a Spanish galleon, where you'll be waited on by pirates and enjoy a delicious meal, an open bar and dancing. There are also other boats that offer romantic night tours and dinner on the Caribbean Sea.

Your final payment is due by 1/22/2010 but you may make payments before then. This group is booked through Apple Vacations and they will also accept credit and debit card payments.
